2012 Committee and Task Force Descriptions

ADVOCATE/CHAMPION OF FREE ENTERPRISE

Legislative/Legal Rights: Promotes, protects and defends the ABC position on the legal, legislative and regulatory fronts; establishes and maintains strong working relationships with lawmakers; develops relationships with other associations and business groups for coalition.

Grassroots: Activates and manages Chapter efforts to foster strong relationships with legislators through our members; makes recommendations on endorsements of candidates and contributions. Develops and launches an industry-wide grassroots campaign to assist endorsed candidates in their election bids.

CREDIBLE VOICE

Construction Rodeo: Supports image and awareness of ABC and its members by showcasing the talents of construction individuals through a community event, generating funds for charities and scholarships.

Excellence in Construction: Promotes the construction industry by conducting the annual Excellence in Construction Awards recognition program.

Green Building: Industry leaders provide cutting edge technologies, materials and educational opportunities for our members on all the latest green building initiatives, including sustainable design.

INDISPENSABLE RESOURCE

C.O.R.E.: Oversees, promotes, and works to enhance the annual valued member sponsorship, activity, and marketing program (Contacts, Opportunities, Resources & Education).

Education: Develops and implements course offerings in management and continuing education, providing a variety of construction-related career paths from the post-apprenticeship employee to CEO; provides compliance and safety training.

Program & Activities: Develops and delivers the Member Showcase, Golf Outing, August Outing, Mixers and Dinner Events, to provide quality networking, informational, educational and/or entertainment opportunities for members.

Safety: Promotes safe and healthy work environments for member firms; conducts quarterly Safety Forums for safety and HR professionals and contractors; monitors OSHA regulation developments; operates a safety video library; promotes and facilitates the STEP (Safety Training and Evaluation Process) program.

MEMBERSHIP GROWTH AND SATISFACTION

Member Development: Works with all members in order to increase member assimilation, involvement and overall customer satisfaction.
